Simulacra And Simulation

Simulacra and Simulations - XS4ALL

Simulation is no longer that of a territory, a referential being or a substance It is the generation by models of a real without origin or reality: a hyperreal The territory no longer precedes the map, nor survives it Henceforth, it is the map that precedes the territory - precession of simulacra - it is the map that engenders the territory

JeanBaudrillard Simulations and Simulacra - Karen Eliot

is it volatilized into simulacra which alone deploy their pomp and power of fascination - the visible machinery of icons being substituted for the pure and intelligible Idea of God? This is precisely what
